1. Important Safety Information

1.1 Proper Helmet Fit

Before using your Trailblazer Bike Helmet, it is important to ensure a proper fit to maximize safety and protection. Follow these steps to ensure a secure and comfortable fit:

1. Ensure the helmet is the correct size for your head. Refer to the size chart provided by Rugged Riders to determine the appropriate size for your head circumference.
2. Adjust the chin strap so that it is snug but not too tight. The chin strap should be securely fastened under the chin to keep the helmet in place during use.
3. Position the helmet on your head so that it sits level and covers the top of your forehead. The front edge of the helmet should be about one inch above your eyebrows.
4. Use the adjustable dial at the back of the helmet to customize the fit. Turn the dial to tighten or loosen the helmet for a comfortable and secure fit.
5. Check that the helmet does not move or shift when you shake your head. If the helmet moves, readjust the fit as needed.

Note: Improper helmet fit may result in reduced protection in the event of an accident. Always ensure a proper fit before using the Trailblazer Bike Helmet.

1.2 Helmet Care and Maintenance

To maintain the performance and integrity of your Trailblazer Bike Helmet, follow these care and maintenance guidelines:

1. Clean the helmet regularly using a mild soap and water. Avoid using abrasive cleaners or solvents that may damage the helmet's shell and components.
2. Allow the helmet to air dry thoroughly before storing it. Do not use direct heat or high temperatures to dry the helmet, as this may cause deformation or damage to the materials.
3. Inspect the helmet regularly for any signs of wear, damage, or deterioration. Check the shell, straps, buckles, and other components for any cracks, dents, or loose parts.
4. Store the helmet in a cool, dry place away from direct sunlight and extreme temperatures. Avoid exposing the helmet to harsh chemicals or fumes that may affect its structural integrity.

Note: Failure to properly care for and maintain your Trailblazer Bike Helmet may result in reduced effectiveness and protection. Regularly inspect and clean the helmet to ensure its safety and performance.

1.3 Warning: Not a Toy

The Trailblazer Bike Helmet is designed and intended for use as protective headgear during cycling activities. It is not a toy and should not be used for any other purposes.

Note: Misuse of the Trailblazer Bike Helmet may result in injury or reduced protection. Use the helmet only as intended for cycling activities.

2. Assembly and Adjustment

2.1: Attaching the LED Safety Light

To attach the LED safety light to your Trailblazer Bike Helmet, follow the steps below:

1. **Locate the LED safety light** - The LED safety light is located at the rear of the helmet, indicated by the "LED" label.
2. **Insert the light** - Insert the LED safety light into the corresponding slot at the back of the helmet, ensuring it is securely in place.
3. **Turn on the light** - Once attached, press the power button to turn on the LED safety light. The light will emit a bright, steady glow, enhancing your visibility during low-light conditions.

2.2: Adjusting the Helmet Straps

To ensure a comfortable and secure fit, adjust the helmet straps as follows:

1. **Locate the straps** - The helmet straps are positioned on either side of the helmet, with adjustable buckles for a custom fit.
2. **Adjust the chin strap** - Pull the chin strap to tighten or loosen the fit around your chin, ensuring a snug but comfortable feel.
3. **Adjust the side straps** - Use the side buckles to adjust the tension of the straps around your ears, allowing for a secure fit without causing discomfort.
4. **Check the fit** - Once adjusted, ensure the helmet sits level on your head and does not move excessively when gently tugged.

3. Using Your Trailblazer Bike Helmet

3.1: Wearing and Removing the Helmet

To wear your Trailblazer Bike Helmet from Rugged Riders, follow these steps:

1. Open the adjustable chin strap.
2. Place the helmet on your head, ensuring it sits level and low on your forehead.
3. Tighten the chin strap until it is snug under your chin.
4. Adjust the rear fit dial for a secure fit.

To remove the helmet, simply:

1. Loosen the chin strap.
2. Lift the helmet off of your head.

3.2: Helmet Features and Benefits

The Trailblazer Bike Helmet is designed with the following features and benefits for your safety and convenience:

Feature	Benefit
Aerodynamic Design	Reduces wind resistance for a smoother ride.
Adjustable Fit	Ensures a comfortable and secure fit for all riders.
Built-in LED Safety Light	Increases visibility in low-light conditions.

In addition, the Trailblazer Bike Helmet is equipped with a rear fit dial, allowing you to customize the fit to your unique head shape.

4. Troubleshooting

4.1: LED Safety Light Not Working

If the LED safety light on your Trailblazer Bike Helmet is not working, please follow the steps below to troubleshoot the issue:

1. **Check the Battery**: Ensure that the battery is properly installed and functional. Replace the battery if necessary with a CR2032 3V battery.
2. **Inspect the Light**: Examine the LED light to see if there are any visible signs of damage. If the light appears damaged, please contact Rugged Riders customer support for further assistance.
3. **Ensure Proper Connection**: Make sure that the wires and connections for the LED light are secure and undamaged.

If the issue persists after performing these steps, please contact Rugged Riders customer support for further assistance.

4.2: Fitting Issues

If you experience fitting issues with your Trailblazer Bike Helmet, please refer to the following troubleshooting steps:

1. **Adjust Straps**: Check if the straps are properly adjusted to fit snugly around your head without being too tight.
2. **Positioning**: Ensure that the helmet is positioned correctly on your head, with the front edge no more than one inch above your eyebrows.
3. **Proper Sizing**: Confirm that you have selected the correct helmet size for your head. The Trailblazer Bike Helmet comes in three sizes: Small (S), Medium (M), and Large (L).
4. **Inspect Buckle and Dial**: Examine the buckle and dial for any damage or issues that may be impacting the fit of the helmet.
5. **Padding**: Adjust the inner padding to ensure a comfortable and secure fit.

If you have followed these troubleshooting steps and are still experiencing issues with the fit of your Trailblazer Bike Helmet, please contact Rugged Riders customer support for further assistance.

5. Warranty Information

5.1 Limited Warranty

Rugged Riders provides a limited warranty for the Trailblazer Bike Helmet. The warranty covers manufacturing defects for a period of 1 year from the date of purchase. This warranty does not cover normal wear and tear, misuse, or accidental damage.

5.2 Warranty Claim Process

To make a warranty claim, contact Rugged Riders customer service at warranty@ruggedriders.com. Please provide the original proof of purchase and a detailed description of the issue. Rugged Riders will assess the claim and provide further instructions for return or repair.

5.3 Exclusions

The limited warranty does not cover damage caused by improper use, modifications, or unauthorized repairs. It also does not cover damage resulting from accidents or misuse of the built-in LED safety light.

5.4 LED Safety Light Warranty

The built-in LED safety light in the Trailblazer Bike Helmet is covered by a separate limited warranty for a period of 6 months from the date of purchase. This warranty covers defects in materials and workmanship.

5.5 Limitation of Liability

Rugged Riders' liability under this limited warranty is limited to the repair or replacement of the defective product. Rugged Riders is not liable for any incidental or consequential damages resulting from the use of the Trailblazer Bike Helmet.

5.6 Non-Transferable Warranty

This limited warranty is non-transferable and is only applicable to the original purchaser of the Trailblazer Bike Helmet. It is valid only in the country of purchase.

5.7 Legal Rights

This limited warranty gives you specific legal rights, and you may also have other rights which vary from state to state or country to country.
